Sir:

Applicants appreciate the courtesies shown to Applicants' representative by Examiner Wilson in the June 24 telephone interview. Applicants' separate record of the substance of the interview is incorporated into the following remarks

Applicants filed a preliminary amendment on April 14, 2006, adding claims 12-18 to the application. The April 4, 2008 Office Action addresses only original claims 1-11, not added claims 12-18. The Examiner agreed that a new Office Action will be issued to address all of the pending claims. As such, Applicants understand that no further response to the April 4 Office Action is required, and that the new Office Action will reset the 3-month period for reply from the mail date of the new Office Action.

Should any questions arise regarding this submission, the Examiner is invited to contact the undersigned at the below-listed phone number.

Respectfully submitted,
